

# CONTENTS

<b>Preface</b> .....	9
<b>Acknowledgements</b> .....	11
<b>About this book</b> .....	13
Scientific and English names .....	13
Taxonomy .....	13
Distribution .....	13
General definitions, abbreviations and terms .....	15
Geographical definitions .....	15
<b>Introduction</b> .....	17
Regional boundaries .....	17
Avifauna .....	20
<b>SYSTEMATIC LIST</b>	
Family Struthionidae – Ostriches .....	25
Family Anatidae – Ducks, geese and swans .....	25
Family Numididae – Guineafowl .....	41
Family Odontophoridae – New World quail .....	41
Family Phasianidae – Grouse, partridges, francolins and pheasants .....	42
Family Gaviidae – Divers .....	46
Family Oceanitidae – Austral storm-petrels .....	47
Family Diomedidae – Albatrosses .....	48
Family Hydrobatidae – Northern storm-petrels .....	49
Family Procellariidae – Petrels and shearwaters .....	50
Family Podicipedidae – Grebes .....	56
Family Phoenicopteridae – Flamingos .....	57
Family Phaethontidae – Tropicbirds .....	58
Family Ciconiidae – Storks .....	58
Family Threskiornithidae – Ibises and spoonbills .....	60
Family Ardeidae – Bitterns, herons and egrets .....	61
Family Scopidae – Hamerkop .....	66
Family Pelecanidae – Pelicans .....	66
Family Fregatidae – Frigatebirds .....	67
Family Sulidae – Gannets and boobies .....	68
Family Phalacrocoracidae – Cormorants and shags .....	69
Family Anhingidae – Anhingas and darters .....	70
Family Pandionidae – Ospreys .....	70
Family Accipitridae – Kites, hawks and eagles .....	71
Family Otidae – Bustards .....	81
Family Rallidae – Rails, crakes and coots .....	83
Family Gruidae – Cranes .....	86
Family Turnicidae – Buttonquail .....	87
Family Burhinidae – Stone-curlews and thick-knees .....	87
Family Haematopodidae – Oystercatchers .....	88
Family Dromadidae – Crab-plover .....	88
Family Recurvirostridae – Stilts and avocets .....	89
Family Charadriidae – Lapwings and plovers .....	89
Family Pluvianidae – Egyptian Plover .....	93

Family Rostratulidae – Painted-snipes	94
Family Jacanidae – Jacanas	94
Family Scolopacidae – Sandpipers and snipes	94
Family Glareolidae – Coursers and pratincoles	106
Family Laridae – Gulls, terns and skimmers	107
Family Stercorariidae – Skuas	119
Family Alcidae – Auks	120
Family Pteroclididae – Sandgrouse	122
Family Columbidae – Pigeons and doves	123
Family Cuculidae – Cuckoos	127
Family Tytonidae – Barn owls	129
Family Strigidae – Typical owls	129
Family Caprimulgidae – Nightjars	133
Family Apodidae – Swifts	135
Family Coliidae – Mousebirds	137
Family Coraciidae – Rollers	137
Family Alcedinidae – Kingfishers	138
Family Meropidae – Bee-eaters	139
Family Upupidae – Hoopoes	140
Family Bucerotidae – Hornbills	140
Family Picidae – Woodpeckers	140
Family Falconidae – Falcons	143
Family Psittacidae – African and New World parrots	146
Family Psittaculidae – Old World parrots	146
Family Pittidae – Pittas	147
Family Tyrannidae – Tyrant flycatchers and allies	147
Family Malaconotidae – Bush-shrikes	148
Family Laniidae – Shrikes	148
Family Vireonidae – Vireos	151
Family Oriolidae – Old World orioles	152
Family Dicruridae – Drongos	152
Family Monarchidae – Monarch flycatchers and allies	153
Family Corvidae – Crows, jays and magpies	153
Family Bombycillidae – Waxwings	157
Family Hypocoliidae – Grey Hypocolius	157
Family Paridae – Tits and chickadees	157
Family Remizidae – Penduline tits	160
Family Panuridae – Bearded Reedling	161
Family Alaudidae – Larks	161
Family Pycnonotidae – Bulbuls	166
Family Hirundinidae – Swallows and martins	167
Family Cettiidae – Bush warblers	170
Family Scotocercidae – Streaked Scrub Warbler	170
Family Aegithalidae – Bushtits	171
Family Phylloscopidae – Leaf warblers	171
Family Acrocephalidae – Reed warblers and allies	175
Family Locustellidae – Grass and bush warblers	180
Family Cisticolidae – Cisticolas and allies	181
Family Leiothrichidae – Laughingthrushes and allies	181
Family Sylviidae – Sylviid babblers	182
Family Zosteropidae – White-eyes	187
Family Regulidae – Kinglets	188
Family Troglodytidae – Wrens	188

Family Sittidae – Nuthatches	189
Family Tichodromadidae – Wallcreeper	190
Family Certhiidae – Treecreepers	190
Family Mimidae – Mockingbirds and thrashers	191
Family Sturnidae – Starlings and allies	191
Family Buphagidae – Oxpeckers	193
Family Turdidae – Thrushes	193
Family Muscicapidae – Chats and Old World flycatchers	197
Family Cinclidae – Dippers	209
Family Nectariniidae – Sunbirds	209
Family Passeridae – Old World sparrows and snowfinches	210
Family Ploceidae – Weavers and allies	213
Family Estrildidae – Waxbills, munias and allies	214
Family Prunellidae – Accentors	215
Family Motacillidae – Wagtails and pipits	216
Family Fringillidae – Finches	221
Family Parulidae – New World warblers	229
Family Icteridae – New World orioles, blackbirds and allies	232
Family Emberizidae – Buntings, New World sparrows and allies	233
Family Calcaridae – Longspurs and snow buntings	239
Family Cardinalidae – Cardinals, grosbeaks and allies	240
<b>Annex A: Indeterminate species recorded in the region</b>	<b>241</b>
<b>Appendices</b>	
Appendix 1: Endemic species	243
Appendix 2: Extinct species	247
Appendix 3: Omitted species	249
Appendix 4: National lists	253
<b>Checklist</b>	<b>255</b>
<b>References</b>	<b>289</b>
<b>Index of species</b>	<b>323</b>
